

Position Title : Migration Health Physician – Health Assessment Programs
Duty Station : Harare, Zimbabwe
Classification : National Officer Service Staff NoA
Type of Appointment : Special Short Term, 6 months with possibility of extension
Estimated Start Date : As soon as possible
Reference Number : SVN2021/10
Closing Date : 3 January 2022

Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental, and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants

Context:

Under the overall supervision of the Chief of Mission (CoM) and the direct technical supervision of the Chief Migration Health Officer, the successful candidate will be responsible for the carrying out the following duties and responsibilities in relation to the Migration Health Assessment Centre (MHAC) in Harare, Zimbabwe.

Core Functions / Responsibilities:

1. Ensure the efficient daily operations of the Migration Health Assessment Centre (MHAC), in close coordination with the Chief Migration Health Officer (CMHO) In Nairobi.
2. Conduct the Harare MHAC's migration health assessment process to fulfil the technical requirements of the resettlement countries in the areas of:
 - a. Medical examinations.
 - b. Imaging.
 - c. Laboratory testing.
 - d. Vaccinations.
 - e. TB management.
 - f. Treatment and referrals.
 - g. Pre-departure procedures and medical movements.
 - h. Documentation, certification, and information transmission; and,
 - i. Other technical areas as may be required.

2. Ensure proper identification of refugees and migrants during the health assessment and record all relevant health information in standard forms, ensuring completeness and accuracy of the recorded information.
3. Perform treatment for TB and sexually transmitted infections and provide support to HIV and counselling activities. Oversee and coordinate the management of TB cases to ensure effective TB treatment.
4. Oversee and coordinate accurate and effective provision of immunization and presumptive treatment programmes in full compliance with the technical guidelines and protocols of the resettlement countries. Assist CMHO in monitoring, supervising and educating all staff in the delivery of these programmes.
5. Contribute to and maintain a system of quality improvement for each service area within the MHAC. Undertake quality control activities on a regular basis, including practice observation, desk audits and use of self-assessment tools. Use data analysis and web reporting system to monitor performance indicators. Ensure implementation of the global IOM Standard Operating Procedures (SOPs); create and implement Harare MHAC specific SOPs for each service area. Ensure proper reporting and management of incidents according to the Guidance Note for Incident Management.
6. Organize systematic collection, processing, and analysis of migration health data according to guidelines established by the CMHO. Ensure data quality. Provide periodic, as well as ad-hoc reporting to the CMHO for Migration Health activities.
7. Ensure that all data related to health assessment programmes is appropriately entered into the Migrant Management Operational System Application (MiMOSA) and other related databases.
8. Oversee the financial aspects of the MHAC in close coordination with the mission's finance staff, supervise budget preparation, suggest adjustments and cost-effective solutions, and review financial reports.
9. Provide oversight and coordinate the procurement of medical equipment, vaccines, medication, and other medical supplies in coordination with the CMHO and the Resource Management Unit.
10. Represent IOM health and related interagency working group meetings in the UN system.
11. Identify and respond to outbreak/emergency situations as needed in liaising with implementing Partners in Zimbabwe.
12. Perform such other duties as may be assigned by the Supervisor

Qualifications and Experience:

- University degree in Medicine from an accredited academic institution with at least four years of professional work experience.

- Current/ renewed membership of Medical and Dental Practitioners Council of Zimbabwe (MDPCZ)

Experience

- Minimum of four (4) years, post-graduation, (post internship in countries with mandatory internship programs) continuous clinical experience, preferably in a multidisciplinary hospital setting. The last clinical posting should be within the last five years; and,
- Valid license to practice within country is mandatory.

Languages

Proficiency in written and spoken English.
