

Position Title : **On Call Nurse (Migration Health) x 2**
Duty Station : Harare, Zimbabwe
Type of Appointment : Hourly Contract, 3 months with possibility of extension
Estimated Start Date : As soon as possible
Reference Number : CFA2022/07
Closing Date : 12 April 2022

Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental, and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants

Context:

Under the overall supervision of the Chief of Mission (CoM) and the direct supervision of the Migration Health Physician, the successful candidate will be responsible for the following duties and responsibilities in relation to the Migration Health Assessment Centre (MHAC) in Harare, Zimbabwe.

Core Functions / Responsibilities:

1. Perform daily nursing activities in the Migration Health Assessment Clinic (MHAC) to fulfil the technical requirements of the resettlement countries in the areas of:
 - a. Medical examinations such as
 - i. checking vital signs, weight, height, visual acuity.
 - ii. Blood, urine, or sputum collection as required.
 - b. Imaging.
 - c. Laboratory testing.
 - d. Vaccinations.
 - e. TB management.
 - f. Treatment and referrals.
 - g. Pre-departure procedures and medical movements.
 - h. Documentation, certification, and information transmission; and,
 - i. Other technical areas as required.
2. Provide information and detailed explanations to the migrants and/or refugees in relation to:
 - The migration health assessment process; and,

- Treatments and referrals.
3. Ensure proper identification and follow-up by:
 - Comprehensive history taking.
 - Accurate and thorough bio-data collection.
 - Ensuring ID verification for each step of the health assessment process; and,
 - Keeping a register of applicants who undergo health investigations and testing.
 4. Follow and implement the Health Assessment Programme check lists and SOP's and maintain standard universal precautions within MHAC.
 5. Verify samples of sputum, blood or others and ensure that they are properly transported to the laboratory or previously designated location.
 6. Maintain and monitor the MHAC pharmacy, stock, medical kits, and emergency kits within the MHAC and for medical escorts if applicable.
 7. Provide pre and/or post counselling to migrants or refugees on TB or HIV education, prevention, and management as appropriate.
 8. Prepare administrative reports and program updates, as necessary.
 9. Support the planning and execution of mobile missions if applicable.
 10. Assist with pre-departure documents, briefings, and preparations, as necessary.
 11. Perform medical escort duties when required to ensure migrants receive continued care throughout all phases of migration (before departure, during the journey and at the final destination).
 12. Maintain collaborative relationships with various partners to facilitate the follow up and relevant information sharing. Partners include internal IOM departments, other health providers, panel physicians, embassies other UN agencies or NGO's and others as applicable.
 13. Collect statistical information and share with the Migration Health Physician as per preset and agreed upon format.
 14. Perform other duties as assigned.

Qualifications and Experience:

- Nursing Degree with a minimum of three years relevant clinical experience and a valid license to practice nursing in Zimbabwe.

Experience

- Excellent technical skills, including in phlebotomy.

- Training or working experience in the areas of Tuberculosis management. Mass immunization. communicable, diseases laboratory testing or public health is an advantage.
- Computer literacy required: MS Office suite (Word, Excel, Access) Languages
