

Position Title : Project Assistant
Duty Station : Harare, Zimbabwe
Classification : General Service Staff, Grade G4
Type of Appointment : Fixed term, One Year with possibility of extension
Estimated Start Date : As soon as possible
Reference Number : VN2024/09
Closing Date : 08 September 2024

Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental, and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants

Context:

Under the overall guidance from the Chief of Mission, and direct supervision from the Migration Governance & Mobility Pathways Unit Coordinator, the successful candidate will be responsible for providing support and contributing to the different projects and their implementation in the Harare Governance & Mobility Pathways Unit on Migration Governance, Migration, Environment and Climate Change (MECC), and Labour Migration.

Responsibilities and Accountabilities

- Assist with project implementation of projects under the Migration Governance and Mobility Pathways Unit.
- Assist with in-house coordination among different sections of the project, including Finance, Procurement, and the Unit, ensuring proper documentation and filing of project documents.
- Assist to maintain partnerships with relevant government focal points concerning the unit's project implementation.
- Support strengthening collaborative cooperation between IOM and the Government of Zimbabwe by assisting with the planning and coordination of workshops, exchange visits, meetings, and other initiatives with government and donor officials.
- Liaise with relevant governmental and non-governmental entities, international organizations, and other stakeholders to ensure the effective implementation of project activities.

- Assist in organizing capacity building for government officials as required by the project.
- Assist in organizing trainings, seminars, conferences, workshops, meetings, presentations, and missions related to the project, and undertake duty travel when necessary.
- Assist in preparing monthly funding requests for project activities and raise online purchase requisition forms for all related program activities.
- Perform any other duties as assigned by the supervisor.

Qualifications and Experience:

- High School diploma with five years of relevant professional experience, or
- University degree in the Social Sciences, or a closely related field with three years of relevant professional experience

Experience

- Minimum 2 years of professional experience in development work carrying out or assisting in participatory formulation, implementation, monitoring and evaluation of development projects in Zimbabwe.
- Knowledge of recent developments in sub-Saharan Africa and recent global migration trends and the migration and development debate desirable.
- Confirmed interest in migration and development issues.
- Experience in the usage of office information analysis and report writing
- Training in project implementation
- Ability to work with basic presentation software packages (MS Word, e.g. Microsoft PowerPoint and Excel, etc).

Skills

- Delivers on set objectives in hardship situations.
- Effectively applies knowledge of migration issues within organizational context
- Coordinates actions with other implementing partners.
- Correctly frames migration issues within their regional, global, and political context
- Works effectively with local authorities, stakeholders, beneficiaries, and the broader community to advance country office or regional objectives.
- Works effectively in high-pressure, rapidly changing environments.
- Coordinates actions with emergency response actors and making use of coordination structures.
- Supports adequate levels of information sharing between internal units, cluster partners, IOM and other emergency response actors.
- Establishes and maintains effective relationships with implementing partners.
- Makes correct decisions rapidly based on available information.
- Establishes realistic resource requirements to meet IOM needs
- Good writing/ communication, presentation and networking skills are essential

Languages

Proficiency in written and spoken English
